Name: Project title: hour.

1. Describe the finished project (what the assignment was about, materials used, theme, what's depicted, what it looks like, etc.)

vocabulary

2. What skills and techniques did you use? (linear drawing, painting, shading techniques, stylizing, color mixing, choosing colors, value shading, composition, design, proportions, etc.)

(โค้ ไม่เป็น	3. What previous skills did you use in this project?		
(Have you done this type of art before? Have you used the same technique?)			
4. What did you learn	by working on this project?		
(Did you learn HOW	to do things? Did you learn the process?)		

5. Can you apply this knowledge (new skill, technique, definition, etc.) in the future projects?

compare & contrast

6. What are the strong parts of your project? Do you feel proud of a specific skill, technique you used, part of the project (composition, details, craftsmanship, etc.). Explain what you did right, why you feel strong about it.

7. What are the weak parts? Are there areas that you wish you could redo or do them differently? What makes them your weak points? Why do you think they could've been better?

8. Compare your artistic skills with your previous project. (If you used the same steps, techniques,, approaches: linear drawing, shading, coloring, etc. Did you get better? Are you still struggling? What is your area of struggle?)

solutions

9. What would you do differently to improve the project? How would you fix the problems? What do you need to do to improve?

(Better shading techniques, smaller strokes, use different color scheme, follow the steps, use more time, etc.)

10. Read your previous reflections. Did you use your own solutions to fix your weak points? What was your solution and how did you apply it in this project? Did it make a difference?
