

Write down the characteristics that best describe each individual. Then write your name with an appropriate typeface that best describes and expresses these characteristics.
Carefully render your whole name inside the rectangle. Consider how letter-spacing, typeface, use of upper and lower case will affect your message.
Pay attention to the actual size and placement of your name in the rectangle. You can draw over lines and existing text inside the rectangle.
You can use typography web sites for reference.

My name is

and I am a taxi driver

Personality characteristics:

My name is

and I am a magician

Personality characteristics:

My name is

and I am a jellyfish
