SOUND PROBLEM

NAME _____

In the space provided below, graphically represent indicated sounds .
Sketch each sound with a pen or a pencil. Add colors where appropriate.
Add a 3-S quality to your sketch if possible. Blend values and/or colors. Draw abstract or typographically.

Consider:
the character of each sound, its tempo, rhythm, volume, duration, context, and color.

In the untitled space in the lower corner sketch your own sound.

clock

beehive

jazz

empty stomach

running water

highway

car crash

cat in a trap
