

Notebook problem

Using the basic elements of a standard notebook page, alter the page design to communicate each personality.
The personality that you create should reflect emotional or physical characteristics.

TEACHER:

You can:

- Alter space between lines;
- Change the direction of the lines;
- Change the thickness of the lines;
- Bend/twist lines;
- Convert lines to shapes;
- Experiment with blue and red colors;
- Add greyscale shading/elements

STUDENTS:
