Ceramics II is a continuation of Beginning Ceramics with additional emphasis placed on skills, individual styles, and experimentation.

Students will master their skills in hand-building techniques and experience other forms of working with clay - potter's wheel, sculpture, etc.

Students will learn additional decorating techniques for their artwork, including underglaze painting, sgraffito, special effect glazing, etc.

final exams:

By the end of the semester, all assignments should be completed. You will be required to write a review paper that will address all skills and techniques learned in class, as well as self-assessment of each assignment that you completed. All information to prepare for test is available on the website: juliannakunstler.com/ceramics2.php

skills taught (outcomes):

Working with clay procedures, potter's wheel, glazing, hand-building techniques, sculpting, carving, textures.

grading:

Art classes grades are based on skills and performance.

Full credit will be given to all correctly FINISHED assignments turned in on time. Students must follow the teacher's instructions to fulfill project requirements. Grading requirements and rubric will be explained at the beginning of each project.

Formative assessment measures student skill growth. Studies, studio work, and practice are considered to be a formative assessment and are worth 20% of the semester grade.

Summative assessment measures student performance. Completed artwork is considered a summative assessment. Summative grades are worth 80% of the semester grade.

NOTE: Unless an assignment specifically requires copying, it will be interpreted in the same manner as plagiarism and is not acceptable.

art department expectations:

Food, drinks, candy, gum are not allowed in the Ceramics room (for safety reasons).

Be in the room before the bell rings. Dropping your stuff and leaving would not qualify you as being on time.

Sit at your assigned seat.

Talk quietly with students next to you.

If you must swear, or use crude/vulgar language, please do it elsewhere. Thanks...

Encourage your fellow classmates in a positive way... Treat them fairly and nicely.

You are responsible for cleaning your work area. I am not going to do it for you..

due date policy

Assignments must be completed according to times/dates as noted when assignment is given.

Assignments will not be accepted after the last day of each six-week grading term.
